

LEADING ETHICS COMMITTEE – SINGLE OPINION

Concerning :

Negotiating Digital Technology in Palliative Home Care

BUN: 1432026000026

The Medical Ethics Committee of UZ Brussel/VUB reviewed the documents (see annex EC document list) concerning the above mentioned project from the ethical, legal and medical science points of view and in accordance with the Belgian Law of 7 May 2004 concerning experiments on the human person, Chapter VIII – Article 11 – § 4 : items 1 till 11

The Ethics Committee decided, during its meeting on 2026-04-08, that there are no objections to the study in its present form.

Please remark that the Green Light Procedure has to be completed before the study can be performed at UZ Brussel.

This approval is valid for the duration of the trial. The Committee wishes to obtain an annual trial status. Results of the trial should be transmitted to the Committee at the end of the trial (publication or summary if there is no publication planned). The Committee reminds the investigator of his/her personal responsibility for this project. The Committee does not take any responsibility for its favourable advice of the project. The Ethics Committee is organised and operates according to ICH-GCP and its applicable laws and regulations. The list of members is enclosed.

Kind regards,

Chairman
Vice-Chairman
